

Seasonal Adjustment Practitioners Workshop

Sponsored by: Government Statistics Section (GSS) of the American Statistical Association and the Washington Statistical Society (WSS)

The GSS and WSS are sponsoring the 1st Seasonal Adjustment Practitioners Workshop. It is a one-day conference for attendees to share their experiences in producing seasonal adjustments, describe interesting problems, discuss best practices, and present applied research in seasonal adjustment practice.

There will be a plenary session in the morning with four speakers and a discussant, followed by lunch on your own and contributed sessions in the afternoon.

WHEN: Friday, November 4, 2016 from 8:00 AM to 4:00 PM (EDT)

WHERE: Bureau of Labor Statistics, 2 Massachusetts Ave, NE, Washington, DC

Register: [Click here](#) to go to Eventbrite to register (free).
