We’re excited to bring back the DC-AAPOR/WSS annual conference for 2022 but with a twist! We know you can’t attend every conference, especially not in person, so DC-AAPOR and WSS are teaming up once again to bring you a sample of exemplary presentations (both talks and posters) that have been taking place at national and international conferences during the pandemic. At the 2022 Fall Super Review Conference, you will get the opportunity to share your work with local colleagues, hear what others are doing, and connect with colleagues in person.
