### COLLEGE MANPOWER MEETING - MARCH 26

The outlook for college manpower will be the subject of the March meeting of the Washington Statistical Society, to be held on Monday, March 26. Topics to be discussed are

- I. Is There Danger of a College Manpower Famine? -- Robert C. Story, Head, Technical Services Unit, Research and Statistical Standards Section, U. S. Office of Education
- II. Methods of Selecting Students for College (with particular reference to the current draft situation) -- Dr. John W. French, Research Department, Educational Testing Service, Princeton, New Jersey. (The Educational Testing Service administers tests for the College Entrance Examination Board, and for the Academies at West Point, Annapolis and New London.)

The Chairman of the meeting will be Dr. Dael Wolfle, Director of the Commission of Human Resources and Advanced Training, Conference Board of Associated Research Councils.

The meeting will be held on Monday, March 26, 1951, at 8:00 p.m. in Room 101 of the George Washington University Hall of Government, 21st and G Streets, N. W.
