NEWS LETTER

DINNER MEETING - THURSDAY, MARCH 4, 1954

The annual dinner meeting of the Washington Statistical Society will be held on Thursday, March 4, in Barker Hall of the YWCA. Dr. Robert Calkins, President of Brookings Institution, will speak on "Research and Policy."

Dr. Calkins is eminently qualified to talk on this subject. Trained as an economist he has had a distinguished academic career as dean of the College of Commerce, University of California, and professor of business economics and dean of the School of Business, Columbia University. He has served the government in a variety of posts, on regional war labor boards, as a consultant to the Bureau of Reclamation, the National Resources Planning Board, OPA, the War Department, etc. A member of ASA, he served as the vice-president of the San Francisco Chapter. He was a director of the New York Federal Reserve Bank for a number of years and served on the research advisory board of the Committee for Economic Development. Immediately prior to taking up his post at Brookings, Dr. Calkins served as vice-president and director of the Rockefeller-endowed General Education Board. Dr. Calkins will speak to us from the wealth of this academic, business and government experience.

The meeting will be held at 6:30 p.m. in Barker Hall, 17th and K Streets, N. W. The cost of the dinner will be two dollars.

Please make reservations early, as it is necessary to know the number planning to attend by noon on Monday, March 1. Tickets will be mailed to you, or may be picked up at the entrance to Barker Hall before the dinner.
