George Washington University  
21st and G Streets, N.W.

The Committee on Improvement of National Statistics (COINS) of the Inter American Statistical Institute will be meeting in Washington from November 14 to November 27, to discuss plans for the next census of agriculture for the Western Hemisphere. Participants in the V Session of COINS have been invited to attend this meeting. The Washington Statistical Society takes pleasure in welcoming any of the statistical representatives of American countries who care to join us on this occasion.
