CHAPTER • AMERICAN STATISTICAL ASSOCIATION

OCTOBER NEWS LETTER

## DINNER MEETING

Speaker: Louis H. Bean

Subject: 1968 Election

Mr. Bean needs no introduction to the statistical community of Washington, D.C. In fact, it has become a tradition to have him as a speaker during the election year. He is well prepared to speak on this year's election having just had published a new book entitled "How America Votes in Presidential Elections". On the basis of past experience, this should be a very interesting and entertaining evening. For those unable to attend the dinner, space will be available to hear Mr. Bean's presentation which should begin at approximately 7:45 p.m.

WHEN: Thursday, October 10, Cocktails at 6 p.m., Dinner at 7 p.m.

WHERE: Presidential Arms, 1320 G Street, N.W.

HOW MUCH: Dinner \$4.50 (tax and tip, cloakroom open on a fee basis).  
Cash bar.

This is our first event of the year. All members of the WSS, guests, and non-members are invited. Please send reservations to Maurice Bresnahan on the form below, to be received on or before October 9.

-----

October Luncheon Meeting

Speaker: Herbert Solomon, Professor of Statistics, Stanford University

Subject: Jurimetrics Revisited

Dr. Solomon was our first luncheon speaker when luncheon meetings were initiated in October 1965. His informative and interesting talk, "Jurimetrics" dealt with statistical application in jury trials. He will expand on his original thoughts in this area.

When and Where: Noon, October 30, Presidential Arms  
Price of lunch is \$2.75 (includes tax and tip).

Please fill out the reservation form above and mail to Maurice Bresnahan by noon, October 29.

JOB OPENINGS -- SEPTEMBER 1968

The Post Office Department is recruiting for statisticians for employment in St. Louis, Missouri, in connection with the Program, Planning and Budgeting System. The positions are in the Postal Field Service, Grades PFS-13 and PFS-14, with annual salaries ranging from \$11,356 to \$12,549. Duties will involve assisting Headquarters staff in the development and implementation of sampling designs and other data collection procedures. Interested persons should contact Mr. Richard Deighton, Bureau of Finance and Administration, Post Office Department, 12th and Pennsylvania Avenue, N.W., Washington, D.C., 20260.

QUEST Systems, Inc., has openings for Statisticians, Mathematicians, and Operations Analysts (salary level from \$9,000 to \$24,000 per year). These positions deal with the design and analysis for scientific and commercial information systems. Interested persons should contact Manager of Professional Staffing, 5400 Pooks Hill Road, Bethesda, Maryland, 20014. Telephone 301-530-6700.

\*\*\*\*\*  
Notices for inclusion in future issues should be sent to Mrs. Marie D. Eldridge, Office of Statistical Programs and Standards, Room 2407 Bureau of Finance and Administration, Post Office Department, 12th and Pennsylvania Avenue, N.W., Washington, D.C., 20260. Forms outlining the items to be included in the Notice are available from Mrs. Eldridge. No phone announcements please.
